

## ILKLEY GOLF CLUB DRESS CODE

The general principle is that all golfers will conform to high dress standards both on and off the course at all times whilst at the Club.

It is therefore important that levels of dress are clearly defined for all, both in the Clubhouse and on the Course.

It is appreciated that there are gender differences in terms of dress and where these are not specified then the “equivalent” for the other gender applies.

The following rules are intended to guide Members, guests and visitors. Club staff are instructed to approach those who are not adhering to the Dress Code and authorised to ask them to leave the Clubhouse or Course if they are not dressed appropriately. Everyone is asked to conform to the spirit and intent of the Dress Code thereby avoiding embarrassing situations.

Dress Code for the Clubhouse is addressed first, followed by Dress Code for the Course.
